The Copyright Arbitration Royalty Panel submitted its determination in the above-captioned matter on Thursday, November 9, 2000. Section 251.55 of the Office's regulations, title 37 of the Code of Federal Regulations, allows a party to file a petition to modify or set aside the determination of the panel within 14 days of the Librarian's receipt of the report.

The report, however, was not made available to the parties until Monday, November 13, 2000, because the Office was closed on Friday, November 10, in observance of Veteran's Day. Consequently, the Office is granting the parties additional time to prepare post-panel motions.

Wherefore, **IT IS ORDERED** that any party who wishes to file a petition to modify or set aside the determination of the Copyright Arbitration Royalty Panel's determination with the Copyright Office, pursuant to 37 CFR 251.55(a), must do so no later than Monday, November 27, 2000. Replies to the petitions to modify or set aside shall be filed within 14 days of the filing of any such petition.

SO ORDERED.
